**Subject: Thank you from Donner Sang Compter**

**Dear Global Blood Fund management,**

On behalf of the DSC family and 16<sup>th</sup> *International Youth Forum of IFBDO* participants, we would like to thank you for contributing in the success of this International event. Your representation by Mr. Gavin Evans in Lebanon during the whole duration of the forum, held between August 24<sup>th</sup> and 28<sup>th</sup> 2016, helped immensely in inspiring the participants to develop the field of blood donation in their countries.

The workshops about Donor recruitment and Donor Retention were very informative, very well presented, plus enjoyable. Your generosity helped reducing our NGO costs – for that we are more than thankful!

We are honored to work with entities that believe in the social responsibility of the non-profit organizations such as yourselves

Respectfully,
